

Luxury Barging Adventures in France

If you prefer to relax and take in the countryside while someone else does all the hard work, why not consider a cruise on one of the luxury hotel-barges run by Afloat in France? Travel in elegance and comfort through France's most iconic countryside: the vineyards of Burgundy, the colourful landscapes of Provence and the peaceful Canal du Midi.

With the gentle pace of the cruises and the extensive knowledge of your on-board guide, it will be impossible not to feel completely immersed in the essence of rural French life. The on-board chef shops at a local market each morning to stock up on the freshest local produce. A high crew to guest ratio ensures the highest standard of service throughout all aspects your journey.

Each barge has been carefully constructed and beautifully furnished. All are spacious and offer modern comforts such as air-conditioning and showers. The barges are accompanied by a minibus available for guided visits of the region, or you can explore at your own leisure on one of the bicycles provided on board.
