

STREAKER BOATS

December 2007 / January 2008

*"The 6.35 Commander is a top bluewater boat"
"She planed within seconds and topped out at 79kph
with full fuel tanks and three adults onboard, which is an
indication of just how good this hull is,"*

Ian Macrae, Modern Boating

*"The hull handled such bad conditions extremely well,
while keeping me very safe and quite dry"*

*"This is not just a good solid fishing cockpit, it is also
a safe, family-friendly design"*

David Toyer, Club Marine

Commanding the Aussie Market

Streaker's new flagship 6.35 Commander has made big waves across Australia's boating landscape. The awesome response from the Melbourne Boat Show was very encouraging but the interest from Australia's marine media was even more impressive with a host of journalists keen to take a closer look at Streaker's latest innovation.

The Streaker 6.35 Commander came about after ongoing feedback from loyal Streaker customers pointed to a new model that had all the usual Streaker features and performance, but more cockpit space. The design team went to work and after 18 months of meticulously planning, building and refining, the new 6.35 Commander rolled off the floor.

Offshore fishing, overnight cruising, and fun-filled water sports weekends are all on the cards with the Streaker 6.35 Commander.

Built as a versatile all-rounder, the 6.35m vessel has the space for the whole family with a huge high-sided cockpit plus the necessary comforts including stove, plumbed sink and roomy forward cabin.

Streaker developed the 6.35 Commander with a completely new hull and deck. Taking design ingredients from the legendary 5.85 hull, the Streaker design team constructed a new boat that handles rough water, planes easily, is stable at rest and remains solid and safe when the seas begin to rise.

These alluring features were not overlooked by current Streaker owners with 5.85 Series hulls. Many waited patiently while the finishing touches were put on the new 6.35 Streaker project before trading in their 5.85 models

for the larger Commander. The fully optioned 6.35 Commander turn-key package is hard to overlook on performance, features and price.

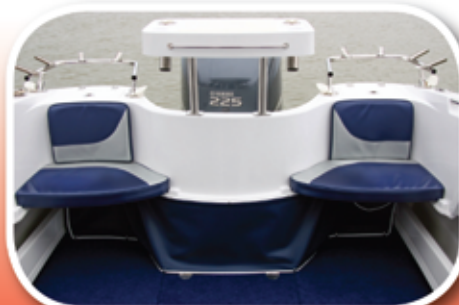

The list of standard equipment is extensive and underscores the exceptional value for money on offer with this model.

Fully Loaded Standard Package Includes:

- Yamaha 4-stroke F225 outboard
- Dunbier Supa Rolla Trailer
- Folding S/S Rocket Launcher
- Lowrance Colour Sander & GPS

FREE WAVE RUNNER COVER OFFER!

To sweeten the deal, any Streaker customer looking to boost their on-water enjoyment can purchase a new Yamaha WaveRunner, and receive a free Yamaha boat cover valued at up to \$500. Just bring along this newsletter to receive your free cover when you purchase your WaveRunner.

Ignite Your Weekend with a WaveRunner

High speed water-borne adrenaline is found aboard a Yamaha WaveRunner available at Streaker Boats. The highly refined PWC's offer all the water-sport advantages of the boating lifestyle with the benefits of easy towing, miserly fuel bills and easy access to the water.

The Yamaha FX and VX Series WaveRunners are pure Japanese EFI 4-stroke masterpieces with durability

built into these high speed fun machines. Loaded with features and guaranteed to ignite your weekend, the exploration opportunities onboard a Yamaha WaveRunner are endless.

Pulling a skier, towing a wake-boarder, or entertaining 3 thrill seekers at a time, the FX 160 Cruiser is a stylish high-power sports machine for all self confessed water sports fans. The sporty NanoTechnology

hull is balanced with an effortless 160hp water cooled 4-stroke, all wrapped up in a style more akin to a luxury sports car.

Need an all-round family entertainer? Then choose between the VX Cruiser or the VX Deluxe. Both sporting the 110hp EFI 4-stroke 4 cylinder engine, the VX Cruiser offers 3 seat luxury performance while the VX Deluxe offers more economical fun for 3 passengers.

Streaker - Biggest Yamaha Outboard Dealer in Melbourne.

Streaker Boats proudly accepts the mantle as Melbourne's Number 1 Yamaha dealer. As the recently crowned market leader, Streaker Boats will continue to offer a standard of customer service befitting their high profile Yamaha Platinum status.

Streaker Boats is a sole authorised Yamaha dealer offering the complete range of legendary 2-stroke, high-technology 4-stroke and highly refined High Pressure Direct Injection 2-stroke outboards. The Streaker line-up also includes Yamaha WaveRunners along with Yamaha's own in-house YMF Loan service for hassle free boating finance.

Streaker also happens to be Melbourne's only authorised Quintrex and Yamaha dealer proudly offering the best combination of Yamaha outboard technology in partnership with Australia's biggest aluminium boat manufacturer- Quintrex. As market leaders in their respective areas, Yamaha powered Quintrex boats are Australia's most popular boating combination.

Larson LXi 208 - 1 only

Larson Luxury at Streaker

For downright value, performance and style it is almost impossible to go past the Larson brand of US built sporting bowriders. Boasting a heritage of more than 90 years of boat building expertise, the American brand has refined the art of manufacturing to deliver a fully loaded boat without the fully loaded price tag.

To make way for new 2008 stock, Streaker has cut the price on the limited 2007 models in stock.

Streaker Boats customers can now save \$2000 off the already low Melbourne Boat Show prices. Hurry in now to secure a great deal on the Senza 206, and the LXi 208.

The wide, low and fast performing Senza 206 and LXi 208 are geared for the tow-sports scene with luxurious seating from bow to stern.

The rear sun pad provides a comfortable lounge while the swimming platform is loaded with space and features for long days on the water. The LXi boasts a rear

transom shower and an innovative bow boarding ladder and storage.

A favourite of Streaker customers, the SEi 180 LX offers versatile performance from a compact sporty package that is exceptionally well priced. Inboard power delivers space for the rear sunpad while clever seating design gives room in the cockpit and the bow lounge.

Very limited numbers of 2008 models will be arriving at Streaker Boats in time for Christmas delivery.

YMF
YAMAHA
MOTOR
FINANCE

LOAN

Easy Finance with YMF

Hassle free boating finance that side-steps all the tedious paperwork trail is available at Streaker Boats through Yamaha's own Yamaha Motor Finance (YMF). YMF loan rates are industry competitive and can be arranged in the comfort of the Streaker showroom.

Simple and easy to navigate, a YMF Loan is a straightforward loan service that minimises hassle, and maximises boating time. Whether you are looking to re-power an existing boat with a Yamaha outboard, or buying a complete Yamaha powered turn-key boat package or WaveRunner, the easy finance solution is YMF.

STREAKER-BOATS

The Safe Solution with Streaker's 4.85 Series

Streaker Boats has re-aligned the 4.58 Series of boats to become the newly engineered 4.85 Series in response to new lifejacket regulations enforced in Victoria. Recent lifejacket regulation changes stipulate that all occupants in a powered vessel of 4.8 metres or under in length must wear a PFD1 lifejacket when under way or in an open area of the boat.

The new Streaker 4.85 Series boats are now classified to be over the specified 4.8m lifejacket regulation boat length. During circumstances of heightened risk including bar crossings and night travel boaters are should wear a PFD1 jacket, irrespective of the length of your boat.

Australia's Favourite Tinnie

Australia's largest aluminium boat manufacturer Quintrex has just unveiled a new series of bluewater boats for the Australian market. The Offshore Series utilises pressed plate alloy for maximum strength in construction. Plus the new Quintrex series includes the Millennium Hull, Flared Bow and Level Flotation for added levels of safety and comfort.

The Quintrex 670 Offshore is available ex-stock at Streaker Boats fitted with a MerCruiser 220hp sterndrive. With a list of standard inclusions too numerous to mention, the Quintrex 670 Offshore is the boat for those looking for big offshore performance in a proven, Australian-made aluminium boat package.

560 Spirit Fisher **\$48,500**
Complete Boat & Trailer Package

The advantages of sterndrive power are not limited to the Quintrex Offshore Series, with the 560 Spirit Fisher also geared up for bluewater action. Harnessing the power of a petrol MerCruiser sterndrive engine, the 560 Spirit Fisher provides an ideal rear platform to cast a line relax when the fish aren't biting.

The 6.44m hull provides enough cockpit space for a host of friends while offering v-berth cabin accommodation at the bow. Plenty of rod holders surround the cockpit while the rear swim platform doubles as a marlin board to get all anglers much closer to the action than a conventional outboard setup could allow. Powered by 135hp 4 cylinder petrol sterndrive, the 560 Spirit Fisher is a great all-rounder and all packaged up and ready to go at Streaker Boats today.

670 Offshore **\$39,900**
Includes trailer & hardtop

Christmas Message

It is hard to believe that the curtains are beginning to close on 2007 as we now prepare to welcome in the Summer boating season of 2008. 2007 was a milestone year for the Streaker team in delivering our largest production boat project to Australia - the 6.35 Commander.

It was certainly a team effort in bringing this new boat to life and the team worked hard to deliver a product that met the high expectations of our many loyal Streaker customers.

So as the holiday season beckons with open arms, we would like to take this opportunity

to also say thank-you to all our customers for their support and commitment to Streaker Boats over 2007.

We wish you well for the Christmas and New Year period and trust that you enjoy a safe and fun-filled boating summer.
